

REMARKS

The Examiner is thanked for the thorough examination of the present application and the allowance of claims 4-7. Although Applicant does not agree with the rejections, in a desire to expedite the allowance of this application and in reliance on the allowance of claims 4-7, Applicant has canceled the remaining claim. This cancellation is made without prejudice, disclaimer, dedication, or waiver of Applicant's rights to the subject matter embodied in those claims. Indeed, Applicant reserves the right to pursue those claims (as well as additional claims supported by the specification) in one or more continuing applications.

This application is now in proper condition for allowance. If the Examiner believes that a telephone conference would expedite the examination of the above-identified patent application, the Examiner is invited to call the undersigned.

No fee is believed to be due in connection with this amendment and response to Office Action. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Respectfully submitted,

/Daniel R. McClure/
